

Radway's Pills

ALWAYS RELIABLE.
PURELY VEGETABLE.

Perfectly tasteless, elegantly coated, purgative, regulate, cleanse and strengthen. RADWAY'S PILLS for the cure of disorders of the stomach, bowels, kidneys, bladder, nervous diseases, indigestion, vertigo, constipation, piles, sick headache, female complaints, biliousness, indigestion, dyspepsia, constipation and all disorders of the liver.

Dr. Radway & Co.—An introduction I must make the following remarks: And each one of the lawbreakers of our country the virtues and power of your pills. America would soon become a paradise. That your pills would conquer the obstinacy of my complaint is more than wonderful. The movement of my bowels is as regular as the works of a good watch. I began with four pills and increased to two and for a time took one two hours before dinner, and have a free movement of the bowels every morning. It is seven weeks since I have taken any of your pills, but still have regular movement every morning.

Kind gentlemen, I wish further to tell you: A poor washerwoman that suffered from a tumor and would have paid \$50 for an operation. I dissuaded her from doing so. Owing to her tumor she was obliged to stay in bed, but now she has gone to Pennsylvania, cured through taking your Pills and Resolvent as you direct in your treatise on tumor. Respectfully,
A. WITMER.

MEASUR. Dr. Radway & Co., New York: Gentlemen—Please send me by return mail one box of your pills, for which you will find 5 cents enclosed. Having had a box before, I would not be without them. They are something every family should have. Yours truly,
T. A. PETERS.

ONE TO THREE OF RADWAY'S PILLS, once in twenty-four hours, will secure regular evacuations from the bowels. Persons who for twenty years have not enjoyed a natural stool, and have been compelled to use injections, have been cured by a few doses of Radway's Pills.

TRUE COMFORT FOR THE AGED AND OTHERS AFFLICTED WITH CONSTIPATION AND PARALYSIS OF THE BOWELS.

Persons advanced in life often suffer from indigestion, and from paralysis or inability to evacuate from the bowels; likewise from urinary difficulties. We have the evidence of a large number of aged persons from 50 to 90 years of age who had daily been compelled to resort to injections to empty the bowels, have been cured by the use of Radway's Pills. Two or three pills every night in all cases insure a natural evacuation from the bowels and the regular flow of urine. In cases where there is irritation of the bladder, Radway's Resolvent should be used with the Pills. If these organs are kept regular, life may be extended to a much longer period. By keeping the Liver, Stomach, Bowels and Kidneys in a healthy condition the blood will continue pure and dissolution checked. If Radway's Pills are used, the body will be kept in a healthy condition. A weak, feeble and ailing body forfeits the intellect and clouds the brain.

YOUNG PEOPLE WED

Mr. Fred Dogny and Miss Maude Fordyce Married

ON WEDNESDAY NIGHT

Ceremony Performed at Home of W. A. Minnick.

One of the largest and happiest weddings this season took place Wednesday evening at the residence of Dr. W. A. Minnick, at the corner of Tenth street and St. Francis avenue. The contracting parties were Mr. Fred Dogny and Miss Maude Fordyce, niece of Dr. Minnick. Rev. A. A. Parker of the St. Paul M. E. church performed the ceremony in his usual happy manner.

The home of Dr. Minnick was beautifully decorated for the occasion. An arch of evergreen was constructed under which the bride couple stood. Mithuap's orchestra furnished music during the evening. One room that was set apart for the reception of presents was literally jammed with beautiful, ornamental and useful articles.

MISS ROWLEE'S PARTY. One of the pleasant gatherings during last week was that at the Rowlee home on North Lawrence Friday evening. The party was given by Mr. and Mrs. Rowlee in celebration of their daughter Maude's eight birthday. About eighty young people responded to invitations sent out. Mr. Rowlee presented his daughter with a new Fischer piano in honor of her birthday.

The home was beautifully decorated with flowers and a scarlet blossom was presented to each guest. Many amusing games were indulged in by those present and the evening was passed very pleasantly. Several of the guests assisted in the entertainment with music. Late in the evening refreshments were served by Mrs. Rowlee, assisted by Miss Margaret Fordyce, Miss Esther Van Noy and Miss May Weir.

QUILINA WHIST CLUB. Mr. and Mrs. Chas. A. Borden entertained the members of the Quilina Whist club Friday evening at their home, 1021 South Topeka. It was the first meeting of the club this year, and if their meetings during the coming winter are to be like the first meeting the Quilina Whist club will have a jolly time. Mr. and Mrs. Borden proved themselves excellent entertainers. It was one of the most enjoyable social events of the week. Progressive whist was the order of the evening. Mrs. M. W. Dorsey and Mr. Wm. Swintell won the honors and were awarded the prizes. After whist ice cream and cake were served, and frappe and cigars for the men ended the evening's measures.

STEVENS-RATNER WEDDINGS

Mr. Frank Stevens of Purcell, I. T., and Miss Rose Ratner of Wichita, were united in marriage Wednesday at the residence of Mr. and Mrs. Ratner of Blackwell, O. T. To the strains of Mendelssohn's wedding march, played by Miss Maud Scott of Winfield, Kan., the bride couple entered and stood under a large floral bell, where the ceremony was performed. The bride was robed in pure white and carried a bouquet of bride's roses tied with broad satin ribbons. The elegant residence of Mr. and Mrs. Ratner was handsomely decorated for the occasion, yellow and white being the prominent colors. Suspended from the corner of the dining room were ribbons which were caught in the center by festoons of roses and smilax. A bank of roses was a very prominent feature of the decorations. After congratulations the guests were ushered into the dining room, where an eight-course champagne dinner was served. Miss Stella Brown, the caters of Wichita, had charge of the dinner. The bride couple left for Chicago and other eastern cities. In the evening Mr. and Mrs. Ratner entertained the younger crowd in honor of the visiting ladies. Those present at the wedding were as follows: Miss Grace Huff, Mrs. R. H. Hinch, Wichita, Kan.; Mrs. Harry Snyder, Mrs. Maud Scott, Winfield; Mr. Hersey, Mr. Green, Mr. McNaughten, Wichita; Mr. A. Caldwell, Chicago; Mr. and Mrs. F. T. Clark, Charleston, Ill.; Mr. Rust, Blackwell; Miss Jennie Foulkson, Blackwell, besides many others.

FEDERATION OF CLUBS

A meeting of the city Federation of Clubs is called for Monday afternoon in the club room at the city building at 3 o'clock. There are several things being talked of in the way of work. Among them is a lecture on Home Economics and a reception for the officers of the State Federation, who will soon visit our city.

In June this city Federation of Clubs was formed, with Mrs. Chas. W. Jackson president. All the clubs of the city are presumably members of this federation. It was under its auspices that the art exhibit during the street fair was given, in the interest of decorating the city school rooms. Whenever the women of the various clubs undertake any project through the federation it is sure to be a success.

AFTERNOON LUNCHEON

The Ladies' Aid Society of the Dodge Avenue M. E. church will give a luncheon at the home of Mrs. W. H. Beal, 129 University avenue, Wednesday afternoon from 2 till 4. Mrs. James Allison

STUDYING RUSSIA.

At the meeting of Hyatt's last Monday afternoon a fine program was rendered. It was the first of Russian study and much interest was taken in the different parts of the program.

Mrs. Sankey read a carefully prepared paper on "Russia" which elicited much favorable comment. Mrs. Richards followed with an interesting and instructive talk on "Ivan the Great." "Peter the Great" was reviewed in the able and thorough style which characterizes all of Miss Stuckey's work. The last paper, dealing as it did with the present ruler, Nicholas II, showed Mrs. Henderson to be thoroughly conversant with current history.

With such a beginning the study of Russia will surely prove a success.

MUSIC AND DRAMA.

BISHOP WARREN'S LECTURE.

The people of Wichita have a rare opportunity before them in the privilege of hearing Bishop Henry W. Warren of Denver, in his splendid lecture, "The Forces of the Sunbeam," which he will give tomorrow night at St. Paul's M. E. church. Bishop Warren is one of the big men of our country, a strong, original thinker, and a forceful, masterful speaker. A number of Wichita people have heard him in this lecture, and they enthusiastically pronounce it grand. He has never before lectured in this city, and the attraction should certainly fill the comfortable church in the north end of the city. Under the magic of his eloquence one can feel the warmth and radiance of the afternoon sun of a glad May day.

The lecture will commence at 8 o'clock, and will be for the benefit of the Epworth League of St. Paul's church. The admission price is 25 cents.

FANE-FARRELL COMPANY.

Manager Marting, of the Crawford, offers for the week the Fane-Farrell company in a varied repertoire. For the opening performance they will present the strong society drama, "A Mother's Sin." The company comes highly recommended, and a good week's entertainment is looked for. Mr. Walter Fane and Miss Vessie Farrell assume the leading roles and are well supported by a strong company. Alfred J. Russell, said to be one of the best band players in the west, will introduce his pleasing specialties each evening, together with the other vaudeville artists.

Ladies are free Monday night with each parent ticket, and as standing room only has greeted them everywhere, it will be well to secure seats in advance at Howe's jewelry store.

On one of the costumes worn by Marie Drosbach, Charles R. Hanford's leading lady this season, is a small fortune in point lace. The lace is an heirloom which came originally from Europe and which has been in Miss Drosbach's family for generations.

"A Man of Mystery" played to capacity at the Denver last night and made a decided hit. The company is an unusually strong one. The play is beyond

Illustration of a man and a woman in formal attire, likely related to the 'Overwrought Nerves' advertisement.

Overwrought Nerves.

As soon as a woman's nerves become excited by some feminine disorder, she loses control of her speech. She has no patience with anybody or anything. The ones she loves the best are the ones to whom she talks the meanest.

Trifles light as air drive her almost frantic. She is worse than crazy, because she knows what she is doing and can't help it. She doesn't have hysteria and doesn't have fainting spells.

She is nervous, horribly nervous. Does she get sympathy? Oh, yes, she gets sympathy for awhile, but she acts so outrageously that everybody keeps out of her way as much as possible. After a while they begin to think she's malicious and could do better if she tried real hard.

She has turned her best friends against her. This woman is sick with about the most discouraging sickness women can have, and there is a person who understands her case better than any one else in the world. That person is Mrs. Pinkham. The nervousness comes from some derangement of the feminine organs, and is constantly fed and made worse by the constantly developing disease. Female diseases never get better of themselves. They must have proper treatment. Ordinary physicians do not know how to grapple with these diseases of women. Out of the hundreds of thousands of women Mrs. Pinkham has cured, not one in five hundred tried her advice or her medicine until they had exhausted the skill of their own physician, sometimes of several physicians.

Mrs. Pinkham's address is Lynn, Mass. Her advice is prompt and free to all suffering women.

You may not know that your nervousness comes from female troubles. Your doctor may not know it. He may tell you it does not; but does he cure you? Does he help you any? Mrs. Pinkham will tell you the truth about yourself, and you'll believe her. Don't throw your life's happiness away and make yourself unlovable, when a little diligent heed to Mrs. Pinkham's advice will drive away your nervousness by removing the cause of your trouble.

Read carefully the letters from women Mrs. Pinkham has helped.

After thirty years of success in curing women's ills, can you not believe it worth while to test the virtues of

Lydia E. Pinkham's Vegetable Compound?

costuming and scenic effects eclipsing in extravagance all former efforts.

The most fashionable lady audience seen in Wilmington for many years, was that seated in Harrison Bros. canvas theatre last night, to witness their big colored minstrel production of "The New and Ancient South." The show was good all the way through—Wilmington, Del. Sun.

Atten Benedict's "Fable Roman" which will be presented at the Crawford theatre soon, is a fine creation and pre-

nounced by the press wherever it has been presented to be an excellent dramatization of the same nature and before produced in this city. A special feature of the entertainment will be the French songs introduced by Miss Charmion, the Parisian Chanteuse, which are pronounced superior to those performed by the much advertised Anna Held and Yvette Guilbert.

Mr. Merrill E. Booth of Denver, Colo., is in the city. Mr. Booth was formerly of Canton, O., and yesterday was the guest of Mr. Booth.
